Welcome to your new neighbourhood plan

At Jigsaw Homes Group we take pride in our neighbourhoods and want to work with residents to achieve our mission of 'Creating homes. Building lives.'

This plan takes on board feedback from employees and residents looking at key issues like health and employment, financial wellbeing and neighbourhood desirability.

This information helps us to identify the main challenges in your neighbourhood and how we can work with our local partners

to make improvements.

As a result of the findings, we will target resources to areas in need through a range of activities to make you feel happier with your neighbourhood.

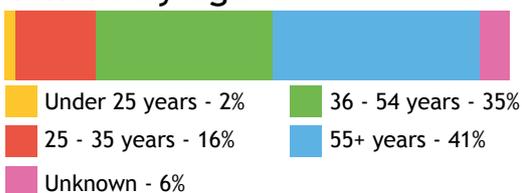

The neighbourhood plans have now been in existence for eight years and they have helped us to target resources and undertake interventions to the areas most in need.

This plan will be in place for three years.

Neighbourhood profile information

Here are some facts and figures about the people and properties that make up your neighbourhood which we thought you may find interesting.

Tenant by age

Properties by type

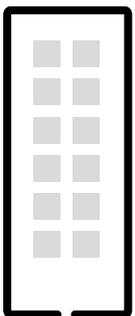

Bungalows
7

Houses
332

Flats
188

Number of Jigsaw Homes Midlands properties **527**

Average length of tenancy

12 years

A great place to live...

Kingswell and Killisick are wards in the Arnold area of Gedling borough, approximately five miles from Nottingham City Centre. The area is made up primarily of a mix of privately owned, Jigsaw Homes and Guinness Partnership properties. Jigsaw Homes Midlands owns a variety of property types in the neighbourhood including bungalows, flats, maisonettes, family houses and one Independent Living scheme at Tavill Fields on Kilbrook Avenue.

The neighbourhood has access to some good amenities. In Killisick there are a small number of independent retail units on Beechwood Road, offering a butchers, hairdressers, post office, florist, café and a newsagent. In Kingswell the shops on Rolleston Drive offer a variety of fast food and takeaway establishments. These wards are also close to central Arnold which has excellent facilities including a library, Arnold Leisure Centre and the Bonington Theatre, a redeveloped market area and two supermarkets.

The area benefits from three community centres at Arnold Hill Community Centre, Pond Hills Community Centre and Killisick Childrens' Centre and a number of parks and open spaces at Arno Vale Recreation Ground, Coppice Farm, Edison Way, Killisick Recreation Ground and Thackerays Lane Recreation Ground. All parks have a children's play area and there are football pitches at Arno Vale, Killisick and Thackerays Lane Recreation

Ground. There is also an outdoor gym at Killisick Recreation Ground.

There are eight local primary schools in close proximity to the neighbourhood: Arnold View Primary School, Arnold Woodthorpe Infant School, Arno Vale Junior School, Ernehale Junior and Infant School, The Good Shepherd Catholic Primary, Coppice Farm Primary School, Killisick Junior School, Pinewood Infant and Nursery School. There are also two

local secondary schools with attached Sixth Forms: Arnold Hill Academy and Christ the King Voluntary Academy.

There is a regular bus service to Nottingham City Centre as well as to Central Arnold.

Although we have been impacted by Covid 19 in 2020, our ambition is still to deliver 800 new homes across the Jigsaw Group per year over the next few years.

How well is your neighbourhood performing?

We have identified a range of both internal and external indicators that tell us how your neighbourhood is performing in relation to both social economic and environmental factors.

The indicators range from the demand and fuel rating of properties to levels of employment and poverty. You can see them all below with an explanation of what the ratings mean for your neighbourhood.

Employment, Skills and Training

The neighbourhood performs satisfactorily when compared with other areas locally in relation to employment, skills and training. Levels of unemployment, education and skills, as well as jobs at risk and employees at risk as a result of Covid 19 are included in this measurement.

Health and wellbeing

The neighbourhood performs well when compared with other areas locally in relation to health deprivation and the Covid 19 vulnerability index. This index highlights physical vulnerabilities; being able to access shops, social vulnerabilities; loneliness and health vulnerabilities; poor health conditions.

Financial wellbeing

When looking at the financial hardship in the neighbourhood, the levels of rent arrears and the movement in rent arrears, the neighbourhood performs to a satisfactory level.

However, this means some households may still be experiencing money management issues, could be at risk of losing their homes, and may need additional support.

Environment and demand

The time it takes to relet a property is too long which indicates a significant number of properties are proving to be unpopular and may have a high level of repair works required. It can also take a relatively long time for people to be able to move into their new homes. Generally the homes in the neighbourhood are in a good condition and are energy efficient, but savings can be made in energy costs through advice being shared with residents.

Overall summary

Overall the neighbourhood is a good place to live but does experience some problems that occasionally affect people's quality of life. The main aim for this neighbourhood is to identify the right activities, services and initiatives that will help address the specific issues that currently hold the area back.

Local knowledge: What you told us about your area.

Neighbours are generally friendly and helpful and there is good community spirit in the area.

Some of the best features that residents identified about living in the area were that it is a quiet area though there appears to be some fly-tipping hotspots around the Hobbucks etc and some anti-social behaviour issues across the area as a whole.

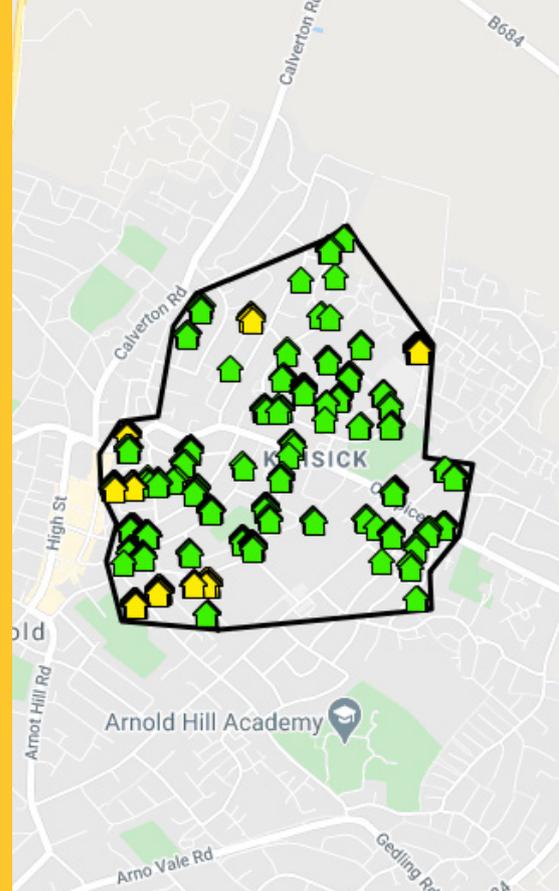

Residents of our Independent Living scheme at Tavill Fields, Kilnbrook Avenue felt that there are not enough parking spaces or marked disabled bays for their needs and some of those who live in blocks of flats said

that bin areas were messy and unorganised.

Washington Court and other communal Blocks were identified as potentially benefitting from purpose built bin stores and a storage area for mobility scooters.

People commented positively on the location of the neighbourhood in relation to Arnold centre, as well as having very good transport links to Nottingham city centre.

The Jigsaw Homes Employment Team (JET) was well received by local residents as it offered them a greater chance of sourcing employment.

How will we progress the plan?

As these plans are an update of the former Neighbourhood plans, work has already begun in your area, as well as in the other five Jigsaw Homes Midlands neighbourhoods.

We will continue to review our performance data frequently over the next three years and we will keep you updated on the progress through our website, social media and newsletter. You will also have the opportunity to be involved so please watch out for advertised activities or requests for feedback.

Our commitment

We recognize that Covid 19 has affected everyone in some way and we have pulled together a list of contacts that can offer support and advice around, but not limited to; mental health, food and shopping and loneliness. If you need any support please contact us.

We will monitor how residents are managing to pay their rent and continue to offer advice and guidance to those that are struggling financially.

We will deliver a high quality repairs service, responding to emergencies and routine repairs, alongside our targeted investment and planned replacement programmes.

We will produce a sustainability strategy

which will set out a plan of engaging tenants to reduce our impact on the environment. We will continue to invest in the energy performance of our homes to reduce energy costs for residents.

We will target any properties that are more difficult to let within the neighbourhood and work to resolve any related appearance issues that may affect their popularity.

We will make the best possible use of our properties, ensuring we let responsibly.

We will ensure getting in touch with Jigsaw Homes Group is straightforward for customers, with a range of available options, including phone, face-to-face and web based functions.

We will encourage residents to recycle and will work with Local Authorities to improve refuse collection and advice for tenants.

We will continue to monitor those quality of life factors that have an affect on the community, such as the levels of employment and the health and well-being of residents.

We will work with partners to deliver interventions in the neighbourhood targeting those key issues and ensure residents have access to the services they need the most.

We will work closely in partnership with the Police & Local Authorities at a local level in tackling anti-social behaviour, nuisance and crime.

What can you do?

Familiarise yourself with the money advice services that we and our other agencies provide and tell your neighbours, friends and family about them if you think they may be in financial difficulty. Get in touch with us as soon as possible if you feel you are getting behind on your rent and bills. You can also look on our website for advice on a range of money matters and links to other sources of help and support.

Click here 

Be observant around your neighbourhood and let us know when things do not look great. It may be that the standard of communal spaces can improve, the environment could be improved or when you see something that you don't think is safe. Let us know if you think a property has been abandoned as soon as possible so that we can take action to re-let the property and avoid possible damage.

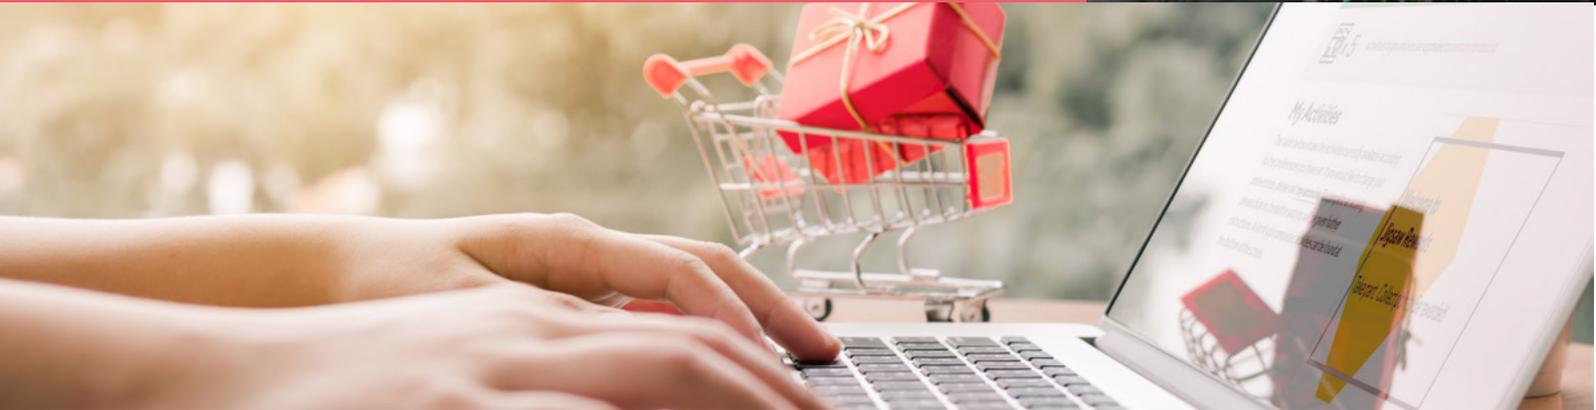

Report repair issues quickly and keep an eye on any recurrent problems you notice in your home, or those of others in your community, and let us know. Always fill in the repairs

feedback surveys, this will really help us address any issues in your area and give you the best service.

Get in touch if you experience antisocial behaviour or, if you feel you are seeing a rise in crime in the area, so we can assist and give practical advice. Tell us if you believe properties are being used for illegal purposes. Take pride in your community and regularly maintain your own garden or clean the space outside your flat etc. We can offer low cost support if you need help with this.

Be a great neighbour - top tips

- Introduce yourself to your neighbours and consider your neighbours' lifestyles
- Be aware of the noise you create in your own home, particularly in buildings with communal entrances.
- Be mindful of where you park and be considerate of others
- Let your neighbours know if you are having a celebration
- Maintain your garden and keep your communal areas free of items
- Put your bins out on the right night and bring them in again once collected
- Keep an eye on your neighbour's property

Getting involved

We encourage residents to get involved in improving and shaping our performance and the standard of our services. We understand that not everyone wants the same level of involvement, so we offer a range of ways to get involved.

Jigsaw Rewards

Jigsaw Rewards is an opportunity for you to give your feedback by completing surveys on our services, mainly from the comfort of your own home. In return you will receive points which can be exchanged for gift vouchers or credits on your rent account. It is simple and quick to register for Jigsaw Rewards. Just visit rewards.jigsawhomes.org.uk and enter your surname, payment reference number or tenancy reference number and tell us which areas of the business you are interested in. We will only share with you

the activities you have chosen, so you can do as much or little as you like. Activities include feedback surveys, photo tasks, mystery shopping and the opportunity to volunteer for our scrutiny panel.

In addition to Jigsaw Rewards you can also have informal involvement by attending community events or following us on social media, our websites and through our newsletters.

If you want to be more involved you can be part of a scrutiny group to discuss different services and attend events and training. You can even become a tenant director on our Board, join/set up a residents' association or local group in your area. We also recognise that everyone has skills, capability and drive to improve their neighbourhoods and this is happening with great success in a number of places. We're keen to promote this and whether it's a small project near to your home or something more ambitious, we want to hear your ideas and help

you to make this happen. Our neighbourhood team will support you to do this wherever possible so please get in touch if you have any ideas on how to improve your neighbourhood.

Jigsaw Foundation

The Jigsaw Foundation offers funds for local projects which make a difference to the lives of our residents and their communities. The fund is open to charities, resident and community groups, voluntary organisations, social enterprises and local partner agencies. Entries will be able to bid for a share of £500,000 towards local projects that help to improve people's lives. For more information and an application form, visit foundation.jigsawhomes.org.uk Grants of £24,999 and under will be voted on by tenants through Jigsaw Rewards. Anything above this will be voted on by Jigsaw's executive team.

Your Money

Welfare benefits

If you need to make a claim for welfare benefits, you need to do it as soon as possible. Don't delay as you could miss out on money you are entitled to. We have a benefits calculator and budgeting tool available to all tenants in the Jigsaw Homes Group.

We have a number of benefit calculators available as well as a household budget tool - why not try them out

Please visit

www.jigsawhomes.entitledto.co.uk

If you are concerned about debts or would like advice on benefits, contact our Money Advice Team on: 0115 905 1515 or

MoneyAdviceTeam@jigsawhomes.org.uk

Getting ahead with your rent

It may not come as a surprise to you that a high level of the UK households have little or no savings. When there is a financial issue at home, this can have a real impact. By paying a little extra with your rent each week, you can build a buffer which will help when money is a bit tight. This can also help

if you are moving on to Universal Credit and you are waiting for your first payment. If you need extra cash, do not be tempted to use a loan shark - they are not your friend.

Loan sharks

Loan sharks are illegal money lenders who use intimidation and often violence to recover loaned funds. If you can answer yes to one or more of these questions you might be borrowing from a loan shark:

- Did they offer you a cash loan?
- Did they not give you paperwork?
- Did they add huge amounts of interest or APR to your loan?
- Have they threatened you?
- Are you scared of people finding out?
- Have they taken your bank card, benefit card, passport, watch or other valuables from you?

If you are affected by a loan shark, don't suffer in silence. The Illegal Money Lending Team can help. You can contact the team anonymously on 0300 555 2222 to report a loan shark and get the help you need.

STOP LOAN SHARKS
Intervention . Support . Education

Payment facilities

We have a wide range of payment facilities

available but paying rent through your bank by standing order or direct debit (DD) is now more popular than ever. 34% of tenants (who are not in receipt of Housing Benefit) are now paying this way. Find out more by calling us on 0161 331 2000.

You can pay your rent over the phone using our 24 hour automated service. Please phone connect on 0300 111 1144. Please note that you will need your allpay card along with a valid debit or credit card to use this service.

If you pay your rent on a monthly basis please be aware that your rent is charged on a weekly basis and that you must meet all your weekly rental obligations within that current financial year (1 April to 31st March). Therefore we expect you to have one week credit balance on 31st March of each year. This is to reflect the 1st week in advance payment you will have been asked to make when you signed your tenancy.

Home contents insurance

It is recommended that all tenants purchase home contents insurance. Contents insurance protects your personal belongings from scenarios such as, damage caused by fire, break-ins, natural disasters or accidental. If something happens to destroy or damage your possessions, it can cost a lot of money to replace them items, some of

which may be essential. There are a number of options and suppliers for contents insurance which can be found on-line.

Nottingham Credit Union

Nottingham Credit Union is a community savings and loan co-operative where members pool their savings to lend to one another. You can join the Credit Union if you live or work in Nottinghamshire.

Nottingham Credit Union offers secure savings and affordable loans at low interest rates

More information is available on the website at www.nottinghamcu.co.uk or by calling 0115 8283121

Nottingham Credit Union is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority ref no 213439

Water Bill reduction schemes

You may qualify for one of Severn Trent's water bill reduction schemes. Simply call them on 0345 602 2777

Energy advice

There are a number of ways in which you can run your home for less, as well as producing fewer harmful CO2 emissions.

Turning your room thermostat down by just 1°C, this could cut your heating bill by 10%, which is an average saving of £75 per year. Drying clothes on radiators blocks heat from warming the room and causes condensation. Dry on a clothes horse instead.

15% of heat loss occurs through draughts.

Draught proof your window frames, doors, keyholes and letterboxes.

Our homes contain an increasing number of appliances and gadgets, all of which consume electricity - increasing our bills and emissions. Much of this usage is unnecessary and with efficient purchase, use and maintenance we can reduce our bills with minimal effort.

Check you are with the cheapest energy supplier. Visit the Uswitch website <https://www.uswitch.com/>

Switching from a 60W bulb will save you £5-£10 a year on your electricity energy bill. In the UK we waste £140 million a year by leaving lights on unnecessarily. Remember to turn the lights off when you leave a room, no matter what kind of bulb you have, this can save you £7.50 per year.

Don't leave appliances on standby, turn things off at the mains when not in use or fully charged, especially overnight.

The average person uses 150 litres of water of water per day for hygiene, drinking, washing and flushing. The energy used in transporting and treating water is energy intensive and generates significant carbon emissions. It is important that we are not wasteful with this vital resource.

Don't overfill the kettle, boiling the right amount of water is one of the easiest ways to cut your energy usage and you could save as much as £25 per year.

Save water by avoiding letting taps run when brushing your teeth or shaving. 10 minutes of running water a day would waste 22,000 litres per year at a cost of £30.

A dripping tap can waste 140 litres a week, almost enough to fill two baths. Get leaks fixed, report them to our Jigsaw Connect team on 0300 111 1144 or 0161 331 2000. We can save money on our food budget by reducing waste. You might be surprised at the level of emissions generated by the food you eat.

If you cook too much, make sure you use the leftovers and store them in airtight containers. See recipe ideas at www.lovefoodhatewaste.com/recipes.

If you have garden space you could try growing your own. Put your garden to work and save money. Even if you don't have a garden you could still grow foods such as beetroot, radish and lettuce on your windowsill.

Transport is the biggest source of personal emissions for many people, especially if you drive, or fly regularly. Your driving style can have a big impact on fuel consumption and therefore what you spend on fuel.

You can save money on driving through monitoring your speed. Driving at 50mph uses 30% less fuel than at 70mph.

Removing excess weight if not needed e.g. a roof rack will reduce your fuel consumption.

Recycling reduces the Carbon footprint of your waste and promotes wider environmental benefits. Every year in the UK, we send around 23 million tonnes of household waste to landfill, 60% of which could be recycled. Landfills are particularly bad sources of greenhouse emissions because waste is buried, which causes it to break down and release methane, which is 33 times more potent than carbon dioxide.

The average person receives 19kg of junk mail a year. To opt out of unsolicited direct mailing lists, register with the Mailing Preference Service at www.mpsonline.org.uk or by phone on 0845 703 4599 or write to them at MPS, Freepost, London, W1E 0ZT.

Recycling has never been easier.

Recycle at home using your recycling bins or communal facilities.
